**REPORT AND RECOMMENDATION CONCERNING PLEA OF GUILTY**

The Defendant, by consent, has appeared before me and has entered a plea of guilty to the crime charged in the Information. After cautioning and examining the Defendant under oath concerning each of the subjects mentioned in Rule 11, I have determined that the guilty plea was knowing and voluntary, and the plea to the offense charged is supported by an independent basis in fact establishing each of the essential elements of such offense. I have also determined that the Defendant has voluntarily and expressly waived the right to appeal her conviction and sentence and the right to collaterally attack her conviction and sentence in any post-conviction proceeding (including, but not limited to, motions filed pursuant to 18 U.S.C. § 2255) on any ground, except that the Defendant may file a direct appeal of:

- (1) an upward departure or variance from the sentencing guideline range

calculated by the district court; and/or

- (2) the district court's finding of the Defendant's base and adjusted offense levels under the sentencing guidelines, but only to the extent it does not comport with the stipulation of the parties as set forth in this Plea Agreement that:

- (a) The applicable offense guideline is Section 2B1.1.
- (b) The base offense level is 6.
- (c) The amount of loss resulting from the offense of conviction and all relevant conduct is more than \$200,000 but less than \$400,000, resulting in an adjusted offense level of 18.
- (d) There are no other applicable specific offense characteristics under Section 2B1.1.

If the Government initiates a direct appeal of the sentence imposed, the Defendant may file a cross-appeal. I, therefore, **RECOMMEND** that the plea of guilty be accepted and that the Defendant be adjudged guilty and have sentence imposed accordingly.

**SO ORDERED** this 26th day of January, 2011.
